

Opportunity! AMEDD Civilian Corps Board of Advisors (15 November 2013)

Teammates,

As you may remember, about a year and a half ago we instituted a Board of Advisors for the AMEDD Civilian Corps. We've been blessed with a great first group and are grateful for their service. As we indicated when the Board started, about a year or so down the road we would start to rotate the membership so that we maintain and grow some experience for the long haul. Well, the time to start that process has arrived. Below and on our Corps website (<https://ameddciviliancorps.amedd.army.mil>) under the "What's New" link, is the announcement to begin recruiting our next group of Board members.

It's key to remember that the positions are open to individuals in any grade and experience level of the series we are seeking. It's also important that, should you decide to apply, you get and forward a command endorsement of your application essay. While the time commitment isn't huge, there is some commitment and we owe it to the commanders to get their approval in the process. Also, please note that the suspense for submission is 15 Jan 14.

So if you fall into the categories identified in the announcement, I urge you to consider becoming a Board member. We need your thoughts and leadership. Thanx in advance for that, and thanx for what you continue to do on a daily basis for Army Medicine.

Sincerely,

gregg
