

Hi Everyone!

Just a very quick message (I promise!) to wish you all the best as we head into spring 2016. Whether you celebrate Easter, Passover, or another holiday during the spring, we here in the AMEDD Civilian Corps send you our best and hope that you have some time with family and friends that rejuvenates and energizes you. Here are just a few very short things to think about.

--We're sneaking up on the 20th Anniversary of the AMEDD Civilian Corps. The actual date is tomorrow, 26 March, but we're celebrating on 5 April due to some major scheduling challenges. If you're interested, there is a video I made for the 20th anniversary that is linked to our AMEDD Civilian Corps webpage (<https://ameddciviliancorps.amedd.army.mil>). It's under "What's New" and "Announcements." It may work better if you download it to your desktop to watch. Some folks are planning to use it as part of their local 20th anniversary celebrations. Just a thought.

--We've had several questions about when the next iteration of the TRADOC Intermediate Leader Development Program (ILDLP) would come up. The current iteration of the program has five AMEDD folks in it and they're LOVING IT! If you're interested, the information is on our website under "What's New" and "Announcements" too. The closing date for applications is 22 Apr.

--Information is also on the website for the Army's Senior Executive Talent Management (SETM) program. Guess where. Yep, under "What's New" and "Announcements!" This is a key program for development as a senior or enterprise leader. Give it a look see.

--Last but not least, 3rd Quarter Wolf Pack Award nominations are coming due. The suspense for this quarter is 5 April so let's get 'er done!!

OK, that's it---actually SHORT! Be safe and we'll be back with you again soon. Happy 20th Anniversary to you and thank you for all that you do as part of the Army Medicine Team.

All the best,

gregg
