

**AMEDD Civilian Corps Chief Msg # 46----Training Opportunity (9 January 2014)**

Good day, all, and Happy New Year to you!

We have received an opportunity for members of our Corps to attend the AMEDD Executive Skills Course in April of this year. MEDCOM civilians in positions involving managed care who desire to develop and enhance their healthcare management capabilities are eligible. Due to funding issues we can only select a two candidates to attend this course so it will be competitive. Funding for these individuals will come from the Civilian Corps Office. We will also select additional local candidates in the Fort Sam Houston / San Antonio area for standby in case additional seats become available. Application and course information is available on the AMEDD Civilian Corps website at <https://ameddciviliancorps.amedd.army.mil> under the "What's New" link on the left side. Consider whether this opportunity is for you and, if so, apply. Remember, the application deadline is 31 January 2014. Good luck!

Sincerely,

gregg
